- authorized fuel and gas expenses associated with the project;
- authorized lodging;
- authorized travel expenses;
- authorized tolls;

- approved project-specific tools or equipment; and
- other reasonable project expenses approved by Access Your Place.

These expenses are not included in, and shall not be deducted from, the \$2,000 Project Fee, unless expressly agreed to in writing by the Parties.

2. SCOPE OF SERVICES

Contractor shall independently perform the following Services.

A. Furniture Pickup and Transportation. Contractor shall pick up furniture, household goods, supplies, and other AYP-designated inventory from the designated pickup location in Dallas, Texas, and transport the inventory to 1900 Euclid Ave., Units 404, 604, and 605, Cleveland, OH 44115. The transportation shall be performed using a U-Haul truck rented by Access Your Place or an authorized AYP representative. Contractor shall:

- pick up the assigned furniture and inventory;
- reasonably inspect inventory at pickup;
- report material damage, missing items, or discrepancies identified at pickup;
- properly load and secure furniture and inventory;
- take reasonable precautions to prevent damage, loss, or theft during transportation;
- transport the inventory to the designated Cleveland property;
- unload and deliver the inventory to the assigned units; and
- communicate material transportation delays, accidents, breakdowns, or other issues to Access Your Place.

Contractor shall not sell, abandon, transfer, dispose of, or otherwise relinquish possession of AYP property without authorization.

B. U-Haul Rental. Access Your Place shall arrange and pay for the U-Haul rental required for the project. The rental agreement shall be entered into in the name of Set Up Your Place LLC d/b/a Access Your Place, or an authorized AYP team member acting on behalf of Access Your Place. David Tucker shall be listed as an

authorized driver on the applicable U-Haul rental agreement before operating the vehicle. David shall not be considered the renter or contractual lessee of the U-Haul solely because he is listed as an authorized driver. Access Your Place shall be responsible for the authorized rental cost.

C. Initial Property Inspection. Upon arrival at the Cleveland property, Contractor shall conduct an initial inspection and identify visible property damage; maintenance or condition issues; missing or damaged inventory; access problems; delivery discrepancies; and other conditions that may affect completion. Material issues shall be promptly reported to Access Your Place.

D. Furniture Assembly and Setup. Contractor shall unload the transported furniture; unbox furniture and applicable supplies; assemble furniture in accordance with applicable manufacturer instructions; place furniture appropriately within Units 404, 604, and 605; organize and stage the units for functionality and presentation; identify missing, damaged, defective, or unusable items; and complete the setup in a professional and workmanlike manner.

E. Inventory Organization. Contractor shall assist with receiving, organizing, tracking, and placing furniture, household supplies, and other project inventory, and shall promptly report discrepancies between expected and received inventory.

F. Vendor and Property Coordination. Contractor may coordinate with authorized property managers, operators, vendors, delivery personnel, maintenance personnel, or other individuals whose involvement is reasonably necessary to complete the project. Contractor shall not authorize additional paid work or make material purchases on behalf of Access Your Place without prior authorization, except where immediate action is reasonably necessary to prevent material property damage or loss.

G. On-Site Presence. Contractor shall maintain an appropriate on-site presence during active setup work and shall not abandon or leave the project without notifying the assigned Setup Manager. Nothing in this requirement establishes employee work hours or controls the manner and means by which Contractor performs the Services. Contractor remains responsible for independently determining the sequence, method, and manner of performing the Services, subject to the agreed project requirements, property rules, security requirements, safety requirements, and completion standards.

H. Cleaning and Debris Removal. Contractor shall remove setup-related boxes and packaging; remove setup-related debris; clean work areas; organize materials and inventory; and leave each assigned unit in a reasonably clean and setup-ready condition.

I. Completion Documentation. Before final departure from the property, Contractor shall provide high-quality photographs documenting the completed setup, reasonably demonstrating each completed unit; major rooms and areas; assembled furniture; inventory placement; overall cleanliness and readiness; and any material issue that remains unresolved.

3. PROJECT COMPLETION

For purposes of this Agreement, the project shall be considered "Completed" when Contractor has:

1. picked up the assigned furniture and inventory from the designated Dallas pickup location;
2. transported the assigned inventory to the Cleveland property;
3. delivered the inventory to Units 404, 604, and 605;
4. assembled the assigned furniture;

5. placed and staged the furniture and inventory;
6. completed the agreed setup of all three one-bedroom, one-bathroom units;
7. completed required cleaning and removal of setup-related debris;
8. identified and reported missing, damaged, or defective inventory;
9. completed required photographs and documentation;
10. corrected reasonably identifiable setup deficiencies attributable to Contractor's work; and
11. otherwise delivered the assigned units in the condition reasonably contemplated by this Agreement and the project instructions.

Access Your Place may identify legitimate deficiencies or incomplete Services following submission of completion documentation. Contractor shall reasonably cooperate in correcting deficiencies attributable to Contractor's work. Payment of any portion of the Project Fee, including payment made before, during, or after performance, shall not constitute acceptance of incomplete, defective, or nonconforming Services.

4. PROJECT FEE AND PAYMENT

4.1 Project Fee. Access Your Place shall pay Contractor a total flat Project Fee of **\$2,000.00 USD**. The Project Fee is compensation to Contractor for Contractor's labor and meals associated with the project. The Project Fee does not include authorized transportation, lodging, fuel, U-Haul rental, tolls, parking, approved tools, or other separately authorized project expenses.

4.2 Payment Schedule. The Project Fee shall be paid as follows:

Initial Payment	\$1,000.00	Fifty percent (50%) paid upon commencement of the project.
Final Payment	\$1,000.00	Remaining fifty percent (50%) paid following Completion of the Services and acceptance by Access Your Place.

Payment of the initial \$1,000 shall not constitute acceptance of the Services or confirmation that the project has been completed.

4.3 Travel and Project Expenses. Access Your Place shall separately provide, pay, or reimburse authorized project expenses, including U-Haul rental; authorized fuel and gas; authorized lodging; authorized travel; authorized tolls; authorized parking; approved project-specific tools or equipment; and other approved project expenses. Contractor shall provide receipts or other reasonable documentation for reimbursable expenses when requested.

4.4 No Unauthorized Additional Compensation. Contractor shall not be entitled to additional compensation beyond the Project Fee and authorized project expenses unless Access Your Place approves the additional compensation in writing before the additional work or expense is performed or incurred.

5. NON-COMPLETION AND ABANDONMENT

Contractor agrees to complete the project once Contractor has accepted the assignment, except where performance is prevented by circumstances beyond Contractor's reasonable control or where the Parties otherwise agree in writing.

Contractor shall not abandon the project, materially discontinue performance, or leave the project incomplete without promptly notifying Access Your Place and providing the reason.

If Contractor fails to complete the Services, abandons the project, or materially breaches this Agreement, Access Your Place may, to the fullest extent permitted by applicable law: withhold unpaid amounts attributable to incomplete Services; obtain substitute services; offset documented costs reasonably incurred to complete or correct Contractor's work against amounts otherwise owed to Contractor; and seek recovery of additional damages or costs available under applicable law.

Any offset or recovery shall be limited to amounts reasonably attributable to Contractor's failure to perform or breach of this Agreement.

6. AYP PROPERTY AND TRANSPORTED INVENTORY

Contractor acknowledges that furniture, household goods, supplies, equipment, and other inventory transported under this project may be the property of Access Your Place, its clients, property owners, or other authorized parties, as applicable.

Contractor shall exercise reasonable care in loading, securing, transporting, unloading, and handling such property, and shall promptly notify Access Your Place of any loss; theft; damage; missing inventory; transportation incident; accident; delivery discrepancy; or other material issue involving AYP property.

Contractor shall not remove AYP property from the project for personal use or transfer possession of AYP property to an unauthorized person.

7. DAMAGE TO PROPERTY

Contractor shall exercise reasonable care in handling furniture, equipment, inventory, fixtures, appliances, and the property itself, and shall promptly notify Access Your Place of any damage discovered or caused during transportation or performance of the Services.

To the fullest extent permitted by applicable law, Contractor shall be responsible for property damage directly caused by Contractor's negligence, willful misconduct, misuse of property, unauthorized use, or failure to exercise reasonable care.

Contractor shall not be responsible for pre-existing damage; ordinary wear and tear; defects in property, furniture, equipment, or inventory not caused by Contractor; damage caused by another person; or damage caused by circumstances outside Contractor's reasonable control. Nothing in this Section limits any rights or remedies otherwise available under applicable law.

8. INDEPENDENT CONTRACTOR RELATIONSHIP

Contractor is engaged as an independent contractor and not as an employee, partner, joint venturer, or agent of Access Your Place.

Contractor shall independently control the manner and means by which Contractor performs the Services, subject to the agreed project requirements; required deliverables; applicable property rules; applicable laws and regulations; reasonable safety requirements; security requirements; inventory requirements; and agreed completion standards and deadlines.

Access Your Place has the right to establish what result is required, including the agreed scope, property condition, deliverables, quality requirements, and completion standards, without controlling the day-to-day manner or means by which Contractor achieves those results.

Contractor is responsible for Contractor's own business operations, taxes, licenses, permits, insurance, and other obligations applicable to an independent business. Contractor shall not represent that Contractor is an employee of Access Your Place. Nothing in this Agreement shall be interpreted to waive, alter, or circumvent any worker-classification requirement imposed by applicable law.

9. DRIVER AND VEHICLE REQUIREMENTS

Because Contractor will transport AYP property in a U-Haul truck rented by Access Your Place or an authorized AYP representative, Contractor represents that Contractor:

1. possesses a valid driver's license appropriate for the authorized rental vehicle;
2. will be properly listed as an authorized driver under the applicable U-Haul rental agreement before operating the vehicle;
3. will comply with all applicable traffic, transportation, and safety laws;
4. will operate the vehicle responsibly and with reasonable care;
5. will not operate the vehicle while impaired by alcohol, drugs, medication, fatigue, or any other condition that materially impairs safe driving;
6. will comply with the applicable U-Haul rental agreement;
7. will not permit an unauthorized person to operate the vehicle;
8. will immediately notify Access Your Place of any accident, citation, vehicle breakdown, theft, damage, or other significant transportation incident; and
9. will follow reasonable procedures established by Access Your Place for protecting AYP property during transportation.

Access Your Place shall be responsible for arranging the U-Haul rental and identifying Contractor as an authorized driver. Contractor shall cooperate with any U-Haul driver-verification or authorization procedures required before taking possession of or operating the vehicle.

10. U-HAUL RENTAL, PROTECTION, AND INSURANCE

The U-Haul vehicle used for this project shall be rented by Access Your Place or an authorized AYP representative. Access Your Place shall determine which available rental protection, insurance, or related coverage, if any, is purchased in connection with the U-Haul rental.

Contractor shall comply with the applicable rental agreement and any requirements associated with the selected protection or insurance coverage, and shall immediately report any accident, collision, theft, loss, damage, or other incident involving the U-Haul vehicle or AYP property to Access Your Place; U-Haul, as required; law enforcement, when required; and any applicable insurance or protection provider.

Nothing in this Agreement shall be interpreted as making Contractor the renter or contractual lessee of the U-Haul vehicle. Contractor remains responsible, to the extent permitted by applicable law, for loss or damage caused by Contractor's negligence, willful misconduct, unauthorized use, violation of the rental agreement, or violation of applicable law. Nothing in this Agreement expands Contractor's liability beyond what is permitted by

applicable law or the applicable rental, insurance, or protection arrangements.

11. INSURANCE

Contractor shall maintain insurance reasonably appropriate to the Services being performed and as required by applicable law. At Access Your Place's reasonable request, Contractor shall provide evidence of applicable insurance coverage.

If a Project Assignment specifies minimum insurance requirements, Contractor must satisfy those requirements before beginning the applicable project. Contractor shall promptly notify Access Your Place of any cancellation, lapse, material reduction, or expiration of required coverage.

Nothing in this Agreement requires Access Your Place to provide workers' compensation, unemployment insurance, health insurance, disability insurance, or other employee benefits to Contractor unless required by applicable law.

12. SAFETY AND ASSUMPTION OF RISK

Contractor acknowledges that property setup and furniture transportation may involve lifting, moving furniture, loading and unloading a truck, assembling furniture, using tools, climbing, bending, carrying materials, driving, and other physical activities.

Contractor is responsible for using appropriate safety practices and equipment when performing the Services, and shall not knowingly perform work in an unsafe manner or knowingly expose the property, occupants, vendors, or other individuals to unreasonable risk.

Contractor assumes responsibility for Contractor's own physical ability to safely perform the Services. Nothing in this Agreement is intended to waive any right or protection that cannot lawfully be waived under applicable law.

13. CONFIDENTIALITY

Contractor may receive confidential or proprietary information concerning Access Your Place, its clients, property owners, operators, vendors, business processes, pricing, systems, documents, photographs, access information, and other business information.

Contractor agrees to keep confidential information confidential; use it only as necessary to perform the Services; not disclose it to unauthorized persons; and return or securely destroy it when requested. Confidential information does not include information that is publicly available through no breach of this Agreement or information Contractor is legally required to disclose.

14. PROPERTY ACCESS, KEYS, CODES, AND SECURITY

Contractor may receive keys, access codes, entry credentials, building information, parking credentials, lockbox information, or other access materials.

Contractor agrees to use access credentials only for authorized project purposes; keep keys, codes, and access credentials secure; not share access information with unauthorized individuals; not duplicate keys or access credentials without authorization; not permit unauthorized persons to enter the property; immediately report lost or compromised access credentials; follow applicable building and property security procedures; and return all physical access devices at the conclusion of the project or when requested.

Contractor shall not use the property for personal purposes unrelated to the Services, and shall not stay overnight at the property unless expressly authorized in writing by Access Your Place and the applicable property owner or operator.

15. NO SUBCONTRACTING OR UNAUTHORIZED PERSONNEL

Contractor may not assign, delegate, transfer, or subcontract any portion of the Services without Access Your Place's prior written consent, and may not bring another person onto the property to assist with the Services without prior written authorization.

Any approved additional personnel must comply with all applicable property, security, confidentiality, and safety requirements. Contractor remains responsible for the conduct of any approved personnel assisting with the project.

16. TOOLS AND EQUIPMENT

Contractor shall use appropriate tools and equipment reasonably necessary to perform the Services. Access Your Place shall separately provide, purchase, or reimburse approved project-specific tools or equipment when authorized.

Any equipment or materials supplied by Access Your Place remain the property of Access Your Place unless otherwise agreed in writing. Contractor shall use reasonable care with Company-provided property and shall return it when requested.

17. PROFESSIONAL CONDUCT

Contractor shall conduct themselves professionally while performing Services as an AYP Pro, and shall treat property personnel, vendors, clients, residents, and other individuals professionally; refrain from harassment, threats, violence, discrimination, or unlawful conduct; comply with applicable property rules; refrain from unauthorized consumption, possession, or use of property belonging to others; refrain from removing property, furniture, supplies, or inventory without authorization; and promptly report material incidents affecting the project.

18. PHOTOGRAPHS AND PROJECT DOCUMENTATION

Contractor agrees that photographs and documentation created specifically for the project may be used by Access Your Place for legitimate business purposes, including project verification; quality assurance; inventory documentation; client reporting; internal records; operational records; and dispute resolution.

Contractor shall not publicly post, sell, distribute, or otherwise disclose project photographs or property information without Access Your Place's prior written authorization.

19. REPRESENTATIONS AND WARRANTIES

Contractor represents and warrants that:

1. Contractor has the legal ability to enter into this Agreement;
2. Contractor possesses the skills and experience reasonably necessary to perform the Services;
3. Contractor will perform the Services in a professional and workmanlike manner;
4. Contractor will comply with applicable laws and property rules;

5. Contractor will promptly disclose material issues affecting completion;
6. Contractor will not knowingly damage or misuse property;
7. Contractor will not misrepresent Contractor's relationship with Access Your Place;
8. Contractor possesses a valid driver's license appropriate for the authorized vehicle;
9. Contractor will satisfy the requirements necessary to be listed as an authorized U-Haul driver; and
10. Contractor will comply with applicable transportation and rental-vehicle requirements.

20. INDEMNIFICATION

To the fullest extent permitted by applicable law, Contractor shall be responsible for claims, losses, damages, liabilities, or reasonable costs arising from Contractor's negligence; willful misconduct; material breach of this Agreement; unauthorized acts; damage to property caused by Contractor; or violation of applicable law.

Nothing in this Section requires Contractor to indemnify Access Your Place for losses caused solely by Access Your Place's own negligence or misconduct where such indemnification is prohibited by applicable law.

21. TERMINATION

Either Party may terminate this Agreement or the project for a material breach by the other Party if the breach is not reasonably cured after written notice.

Access Your Place may terminate the project immediately where reasonably necessary because of abandonment; theft or suspected theft; intentional property damage; violence or threats; serious security violations; unauthorized disclosure of confidential information; unauthorized subcontracting; serious misconduct; unauthorized use or removal of AYP property; unauthorized use of the U-Haul; permitting an unauthorized driver to operate the U-Haul; or conduct creating a material risk to persons, property, or the business.

Upon termination, Contractor shall immediately return Company property, keys, access devices, confidential information, the U-Haul, and other materials belonging to Access Your Place as directed. Payment following termination shall be determined based upon the Services properly performed and accepted, subject to any lawful offsets, damages, or other remedies.

22. FORCE MAJEURE

Neither Party shall be responsible for delay caused by circumstances beyond that Party's reasonable control, including severe weather, natural disasters, governmental restrictions, property access failures, building emergencies, transportation disruptions, vehicle breakdowns, road closures, or other extraordinary circumstances. The affected Party shall notify the other Party as soon as reasonably practicable.

23. GOVERNING LAW

This Agreement shall be governed by applicable law as determined under applicable conflict-of-law principles. Because Services may be performed in states other than Florida, the Parties acknowledge that mandatory laws of the jurisdiction where Services are performed may apply notwithstanding the Company's principal place of business.

24. DISPUTE RESOLUTION

The Parties agree to first attempt in good faith to resolve any dispute through direct communication between authorized representatives. Nothing in this provision prevents either Party from seeking emergency relief or exercising rights that cannot legally be waived.

25. NOTICES

Notices under this Agreement shall be provided in writing by email, electronic communication, or another method reasonably calculated to provide actual notice.

26. NO ASSIGNMENT

Contractor may not assign this Agreement or the project without prior written consent from Access Your Place. Access Your Place may assign this Agreement in connection with a merger, reorganization, sale of substantially all of its assets, or transfer of the applicable business relationship.

27. ENTIRE AGREEMENT

This Agreement constitutes the entire understanding between the Parties concerning the subject matter addressed herein and supersedes all prior written or oral agreements concerning the same subject matter.

28. AMENDMENTS

Any amendment to this Agreement must be in writing and accepted by both Parties.

29. SEVERABILITY

If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions shall remain in effect to the fullest extent permitted by law.

30. NO WAIVER

Failure by either Party to enforce any provision of this Agreement shall not constitute a waiver of the right to enforce that provision in the future.

31. ELECTRONIC SIGNATURES

The Parties agree that electronic signatures and electronically transmitted copies of this Agreement may be treated as originals and shall have the same force and effect as an original signature to the extent permitted by applicable law.

32. COUNTERPARTS

This Agreement may be executed in counterparts, each of which shall be considered an original and all of which together shall constitute one agreement.
